

Product Information Sheet

Product Code: 50-001-0641-0422

Product Name: NEANN TEK+ (Lid Insert IV)

Purpose / Function / Design

Designed for the NEANN TEK + to store and transport IV equipment.

Features & Benefits

- MEDIS labelling: Improves on scene efficiencies through quick identification of contents.
- Everything has a place and is in its place: Provides a cost saving as eliminates overstocking.
- Water resistant fabric: Allows ease of cleaning and minimizes cross contamination.
- Lightly coloured fabric: Allows contamination to be easily identified.
- Magnetic removable panel: ease of cleaning and allows the panels to be replaced or updated.
- Elasticated pockets for stowing smaller items including one unlabeled pocket that can be personalized by end user.
- Removable IV Cannula strip: ease of re-stocking.
